"A World Without Love"
(John Lennon - Paul McCartney)
Peter & Gordon

```
E               G#7
Please lock me away
     C#m
And don't allow the day
        E            Am6          E
Here inside, where I hide with my loneliness
        F#m                         B7
I don't care what they say, I won't stay
                   E       C7   B7
In a world without love

Birds sing out of tune
And rainclouds hide the moon
I'm OK, here I'll stay with my loneliness
I don't care what they say, I won't stay
                    E     E9
In a world without love

Am6
So I'll wait, and in a while
E
I will see my true love smile
Am6
She may come, I know not when
F#m                 C7
When she does, I'll know
    B7         E
So baby until then
```

In a world without love
