## VERSE 1

C  
All my life's a Circle  
C Dm  
Sunrise and sundown  
Dm  
The moon rolls through the night time  
C  
Till the day break comes around

All my life's a Circle  
F  
But I can't tell you why  
G  
The season's spinning round again  
F G C  
The years keep rollin' by

## VERSE 2

C  
It seems like I've been here before  
C Dm  
I can't remember when  
Dm  
But I got this funny feelin'  
C  
That I'll be back once again  
  
There's no straight lines make up my life  
F  
And all my roads have bends  
G  
There's no clear-cut beginnings  
F G C  
And so far no dead ends

## VERSE 3

C  
I found you a thousand times  
Dm  
I guess you've done the same  
  
But then we lose each other  
C  
It's just like a children's game  
C  
But as I find you here again  
F  
The thought runs through my mind  
G  
Our love is like a Circle  
F G C  
Let's roll round one more time

REPEAT VERSE 1
