

GET TOGETHER- Jesse Colin Young

G

Love is but a song we sing

F

Fear's the way we die

G

You can make the mountains ring

F

Or make the angels cry

G

Though the bird is on the wind

F

You may not know why

CHORUS:

C

D

Come on people now, smile on your brother

G

Everybody get together

C

D

G

Try to love one another right now

Some may come and some may go

You will surely pass

When the one who left us here

Returns for us at last

We are but a moment's sunlight

Fading in the grass...CHORUS

If you hear the song we sing

You will understand

You hold to key to love and fear

All in your trembling hand

Just one key unlocks them both

It's there at your command ...CHORUS TWICE

Try to love one another right now

Try to love one another right now

END.
